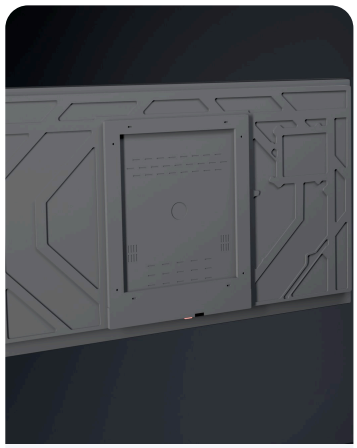
Slim profile
Shown: OKD-55W. The IR frame adds depth.



Clean rear
Stamped steel back with a built-in hanging frame; power switch and socket underneath.

20-point infrared touch
Works with a finger, glove or stylus; tempered glass front, plug-and-play over USB.

Fast Android platform
Quad-core Cortex-A55, Mali-G52 GPU, 4 GB RAM and 32 GB storage for smooth touch UIs.

Zero-code interactive pages
Build menus and directories in the CMS: tap to jump, play video, open web pages; auto-return when idle.

Landscape or portrait
The same unit hangs wide for menus and prices, or tall for posters and promos.

Hanging frame built in
Stamped steel rear with a built-in hanging frame. No extra bracket needed.

Cloud CMS included
Schedule landscape menus and portrait promos from one browser — no server to run yourself.
